

# Qualified Engineers

## Who can be issued with a Qualified Engineer Identification Card?

Qualified Engineer Identification Cards can only be issued to persons who -

- (a) have qualifications in electrical engineering; and
- (b) were **first** registered:
  - (i) under the Engineers Registration Act 1924; or
  - (ii) under the Engineering Associates Act 1961, **before 1 April 1993** and
- (c) are **currently** registered, as applicable;
  - (i) under the Engineers Registration Act 1924; or
  - (ii) under the Engineering Associates Act 1961; and
- (d) have completed courses in:
  - (i) safe working practices relative to the electrical work they are doing;
  - (ii) testing to ensure safety before work commences and to ensure safety during and after the completion of the work;
  - (iii) cardio-pulmonary resuscitation; and
  - (iv) basic first-aid.

*(These are requirements of regulation 26 of the Electricity Regulations 1997).*

## Applying for a Card

To apply for a Qualified Engineer Identification Card you must:

- ◆ Complete the attached application form;
- ◆ Comply with the requirements of (a) and (b) above by producing your Engineer's or Engineering Associate's registration certificate (or a certified copy);

- ◆ Comply with the requirements of (c) by providing evidence that your Engineer's or Engineering Associate's registration is current;
- ◆ Complete the requirements of (d) and insert the details in section 3 of the application form; and
- ◆ Pay a non-refundable application fee of \$34.00 (this includes GST).

## Expiry of the Card

Your Qualified Engineer Identification Card will expire when you are required to attend a further safety training course (as specified in regulation 26 of the Electricity Regulations 1997).
