Introduction

- [1] The hearing resulted from a complaint about the conduct of the Respondent and a report under section 147G(1) of the Act from the Investigator that the complaint should be considered by the Board.
- [2] The Respondent was served with a Notice of Hearing setting out the alleged disciplinary offences the Investigator reported should be considered by the Board. It was that between 20 March 2019 and 16 May 2019 at [Omitted], the Respondent had failed to provide a return being an offence under section 143(f) of the Act, IN THAT, he had failed to provide certification for the installation.

Procedure

- (1) *If the investigator reports that in the investigator's opinion a complaint should be considered by the Board, the matter must be prosecuted by the investigator at the hearing held by the Board under this Part (unless the Board orders otherwise).*
- [4] On 21 August 2018 Counsel for the Investigator wrote to the Board advising that, following further investigations, the Investigator did not intend to offer any evidence with respect to the matter.
