The Respondent **has not** committed a disciplinary offence.

Introduction

- [1] The hearing resulted from a complaint about the conduct of the Respondent and a report under section 147G(1) of the Act from the Investigator that the complaint should be considered by the Board.
- [2] The Respondent was served with a Notice of Proceeding {the Notice}, dated 13 March 2025, setting out the alleged disciplinary offence the Investigator reported should be considered by the Board, The alleged offence related to s 143{f} of the Act.

Board's Conclusion and Reasoning

- [3] Section 147G of the Act states:

147G Board must hold hearing if investigator reports that complaint should be considered by Board

- (1) *If the investigator reports that a complaint should be considered by the Board, the Board must hold a hearing to determine whether it should exercise its disciplinary powers under section 147M.*
- {2} *If the investigator reports that a complaint should not be considered by the Board, the Registrar must inform the complainant and the person complained against of that determination.*

- [4] The Act also provides in section 147T:

147T Investigator to prosecute matter

- {1} *If the investigator reports that in the investigator's opinion a complaint should be considered by the Board, the matter must be prosecuted by the investigator at the hearing held by the Board under this Part (unless the Board orders otherwise).*

- [5] By memorandum dated 10th April 2025, Counsel for the Investigator advised the Board that, following consideration of further information obtained since the Notice was issued, the Investigator would not be offering any evidence. Based on the Investigator offering no evidence, the Board finds that the Respondent has not committed a disciplinary offence.
