OCTOBER 2021

Trainee Limited Certificate application for any person gaining experience towards electrical worker registration.

This application form is for **trainees** gaining experience under supervision for future registration as an electrical worker.

Guidance notes

What you need:

- › You will need to be employed or about to be employed and have a nominated supervisor who has an appropriate registration and a current practising licence.
- › You may also have an agreement with an Industry Training Organisation (ITO), but this is not essential.

■ DO YOU MEET THE CRITERIA OF FIT AND PROPER PERSON?

The Board must be satisfied that an applicant is a "Fit & Proper" person to be registered. If you are in doubt whether you are "Fit & Proper" then go to this [Policy Document](#) on our website.

If you think you might not meet the Board's criteria then please complete this form and submit it with the appropriate tick on the application form. A licensing officer will be in contact to discuss your circumstances. Note the Board has the discretion to register and licence a person who does not meet the criteria if they are able to show that they are a fit and proper person to hold registration.

■ SAFETY TRAINING

All applicants should do initial safety training at the beginning of their apprenticeship and this should be entered on the application form if it was done previous to applying for your Trainee Limited Certificate (TLC). However if you have not yet done initial safety training you can do so after the TLC is issued but within the following three months. If safety training is not completed with three months your Trainee Limited Certificate will be cancelled.

■ PROOF OF IDENTITY

The Board will require a certified copy of the personal identity page of your passport OR your driver's licence to confirm your identity.

■ HAVE YOU SUPPLIED A PHOTO FOR YOUR ID CARD? OR IS THIS ALREADY ON FILE?

To ensure that every ID card is produced to a high standard, images submitted with your application must be:

- › a face, head and shoulders shot, looking directly at the camera and less than six months old
- › no sunglasses, or glasses with tinted lenses that obscure your eyes
- › 3:4 - width to height ratio, in full colour
- › between 50KB and 5MB in size (or printed image for paper applications).

The Board will also refuse photographs which are not of adequate quality or are composed in a way that is unsuitable for use on an ID card.

Important notes

1. On the cover page of this application form is a date of issue. Please check you are using the latest application form before continuing as old applications forms will not be accepted. Check www.ewrb.govt.nz for the latest version of all forms.
2. You must complete all sections of this application form. Please read through the whole application form including the guidance notes before you start. This will give you a clear idea of what you need to provide.
3. Some of the information you provide will be displayed on the [Public Register of Electrical Workers](#). This will be your full name, the class of registration you are training in and the fact you have a Trainee Limited Certificate. The district in which you live will also be included.
4. A checklist is provided at the back of the application form. Work through the checklist to ensure that you have answered all questions and attached all necessary supporting documents. Complete the checklist before you submit your application for a licence.
5. When you have completed your application and your supervisor has counter signed please scan and submit your application to the Board's postal address below.
6. Please do not email your application or courier it to the postal address as this may cause a delay in lodging your application.
